A SEASONAL PLANNER FOR YOUR WARDROBE

.....**Oct**..... to .....**Jan**.....  
month month

[www.un-fancy.com](http://www.un-fancy.com)

hi there!

#### READY TO CREATE A WARDROBE THAT WORKS?

*You've got everything you need right here. No need to prep anything, clean anything, or shop. Just start where you are and let yourself turn inward. By the time you're finished, you'll have a wardrobe plan that's practical and honors the life you're living.*

#### DON'T TAKE IT TOO SERIOUSLY. INSTEAD, PLAY!

*Pour a cup of coffee or a glass of wine and put on some fun tunes. You could even grab a friend and complete the planner together. Don't be afraid to scribble in the margins and scratch things out -- in fact, the messier the better!*

*Approach this planner in the way that feels right to you. If that means filling out each section in order, do it! If that means skipping around and inventing your own sections, do it! However you choose to do it, let it be a fascinating, playful experience.*

#### WANT TO SEE AN EXAMPLE?

*If you're feeling stumped, head on over to [bit.ly/exampleplanner](https://bit.ly/exampleplanner) to see how I filled out my own planner. Now, let's get started!*

---

## PIECES I OWN + LOVE TO WEAR

1. *Madewell linen pants :: loose, go with everything*
2. *ASOS Farleigh jeans :: fit me well, in style*
3. *ASOS camel sweater :: cozy, looks chic*
4. *Marc Fisher booties :: comfy, chic, high quality*
5. *Nisolo Serena mules :: most comfy shoes I've ever owned*
6. *ASOS leather jacket :: fits like a glove, badass*
7. *ASOS black denim jacket :: oversized, can wear thick sweaters underneath*
8. *H&M gray turtleneck sweater :: warm, looks good half-tucked with Farleighs*

Go to your closet and pull out about 8 pieces that you've been reaching for again and again lately.  
List them here.

*Resist the urge to clean out your closet or shop first -- simply go to your closet exactly as it is. Try to grab a few pieces from each category: tops, bottoms, shoes, dresses. Under each piece, jot down the specific reasons you love it. A few examples: the fabric is soft, the waistband doesn't squeeze my stomach, it keeps me warm, the heel isn't too tall, the pattern hides stains/spills, etc.*

---

## WHAT'S WORKING FOR ME

*Thick cozy sweaters, ASOS, knitwear, gray, camel, denim, casual, leather, linen, turtlenecks, chic, Parisian, neutral with pop of red, fur collars, gold jewelry, loose fitting, sweaters that can be tucked at the waist*

Look for common themes from your notes across the page (like fabrics, brands, colors, and the way pieces fit your body) and make a list of what works for you.

*For example: pieces that don't wrinkle, denim, cotton, pieces that show off my calves, pieces that are loose around my stomach, stripes, pieces that I can wear comfortable underwear with, knee-length skirts, flat sandals, etc.*

*Don't worry if some of your notes conflict. You might have loose dresses AND fitted dresses on your list -- that's okay.*

---

---

## PIECES I OWN + NEVER WEAR

1. *Madewell light chambray shirt :: used to wear it too much, can look too masculine*
2. *H&M charteuse sweater :: shrunk in the washer and doesn't fit right anymore, itchy*
3. *UO overalls :: too tight/small*
4. *Old Navy pink peat coat :: stains easily, wore it a lot last year*
5. *Target fluffy coat :: never fit right*
6. *ASOS gray midi dress :: scratchy material, too clingy in stomach area*
7. *H&M gray shirtdress :: material is too thin, not warm enough for this time of year*
8. *Anthropologie leopard print sweater dress :: several years old and is starting to pill, too clingy*

Go to your closet and pull out about 8 pieces that you never wear for some reason. List them here.

*Next to each piece, jot down the specific reasons you always pass it up. A few examples: it doesn't fit anymore, the fabric is itchy, the waistband squeezes my stomach, the shape feels frumpy, the heel is too tall, the fabric is too delicate/prone to staining, the sleeves are too tight, it wrinkles easily, etc.*

---

---

## WHAT'S NOT WORKING FOR ME

*Clingy materials, anything too tight, masculine pieces, anything tight in the arms or shoulders, scratchy or itchy, stain easily, pieces in poor condition, things that I've worn too much, thin materials*

Look for common themes from your notes across the page (like fabrics, brands, colors, and the way pieces fit your body) and make a list of what doesn't work for you.

*For example: pencil skirts, too-tight bottoms, pieces that show dog hair, white dresses or bottoms, bodycon dresses, tops that are too long, itchy wool pieces, silk or precious fabrics, pieces that wrinkle easily, etc.*

---

---

## LIFESTYLE

Fill up the pie chart to represent your lifestyle activities.

*Ask yourself...How do I spend my time? What kinds of activities does my lifestyle typically include? How much of my time will I spend at work? How much at the gym? How much at home? How much out with friends?*

---

## SPECIAL EVENTS + TRAVEL

*My birthday*

*- Going to be mild weather*

*Going to Maine for Christmas (2 weeks)*

*- Lots of warm clothing*

*- Boots*

*- Thick socks*

*- Scarves, hats, mittens*

*- Jeans*

*- Warm pjs*

Check your calendar. List out any special events or trips you have planned this season.

*Ask yourself...Do I have clothes for each event + trip? Can I use what I already have? Do I need something more appropriate for the weather or occasion?*

---

---

## WEATHER

*October – December*

*Weather Average Range: 44° – 76°*

*October:*

*- WC: 57° – 76°*

*- SF: 58° – 71°*

*November:*

*- WC: 49° – 67°*

*- SF: 53° – 65°*

*December:*

*- WC: 44° – 58°*

*- SF: 48° – 59°*

*Notes: indoors most of the time, will  
rain a lot, dress in layers*

Google your city's average weather. Write down the average high + low temperatures for each month this season.

*You might also find it helpful to include notes on rainfall, humidity, snowfall, and how often you're indoors vs. outdoors. What kinds of clothes will keep you comfortable in those conditions?*

---

## WORD ASSOCIATION

*casual, feminine, chic, European,  
unique, comfortable, figure  
flattering, ladylike, soft, minimal,  
simple, relaxed, oversized*

Write out a list of words or phrases that you associate with your style.

*Here's a list to get you started: Boho, Minimal, Classic, Feminine, Neutral, Casual, Colorful, Modern, Tomboy, Relaxed, Playful, Preppy, Outdoorsy, Retro, Ladylike.*

*Then narrow down and circle your top 3-6 favorite words.*

---

---

## BRANDS

*ASOS, Old Navy, Madewell,  
Marc Fisher, Nisolo, & Other  
Stories, Freda Salvador,  
Anthropologie*

**Make a list of stores, brands, and designers you love that work for your style, body, and budget.**

*It's also helpful to make notes about specific pieces they carry that fit you perfectly.*

*Ask yourself...Where did I buy the pieces I continually reach for, again and again?*

*What brands match my budget? What brands design for my body type?*

---

---

## COLORS

**Fill in the boxes to create your color scheme.**

*Include color from all aspects of your wardrobe including shoes and accessories. You could also include patterns like stripes or leopard print.*

*Ask yourself...Am I drawn to colors or neutrals? What colors are seasonally appropriate? What colors make me happy? What colors do I want to play around with?*

---

---

## MY GO TO PIECES

- ankle boots
- high-waisted jeans
- cropped sweaters
- overalls
- jumpsuits
- black denim jacket
- black leather jacket
- mules
- midi skirts
- cozy sweaters
- slogan tees

Make a list of your go to pieces.

*These can be pieces you already own or pieces you may want to buy. Think of it as a general list of your favorites. For example, skinny jeans, cozy knits, ankle boots, etc.*

*Ask yourself...What items do I love to wear/feel great wearing? What items do I continually grab, again and again.*

---

---

## MY GO TO UNIFORMS

*high-waisted jeans + cropped sweater + ankle boots*

*t-shirt + midi skirt + ankle boots*

*jumpsuit + mules*

*loose fitting pants + oversized sweater*

*midi dress + crossbody bag*

*leather jacket + slogan tee + mom jeans + flat sneakers*

Create 3-4 outfit formulas using your go to pieces.

*For example, skinny jeans + drapery knit top + long sweater cardigan + ankle boots. Or loose shift dress + flat sandals + leather tote + woven hat.*

*Ask yourself...What kinds of outfits do I wear again and again? What kinds of outfits match my lifestyle? What kinds of outfits feel authentic?*

---

---

## SHOPPING LIST

- *cozy blush funnel neck sweater*
- *pointed toe flat ankle boots*
- *straight leg denim*
- *silky cami*

If you need some new clothes to complete your wardrobe, make your shopping list.

*Review the Lifestyle, Special Events + Travel, and Weather sections to make sure you've got everything you need. Ask yourself...Do I need to replace any items? Do I want to experiment with a new look this season? Do I need items more appropriate for the weather?*

---

---

## BUDGET

- *Madewell blush sweater: \$98*
- *Everlane 'The Boss' boot in cognac pebbled: \$225*
- *ASOS Florence straight leg jeans: \$51*
- *Everlane double-lined silk cami: \$65*

Before you spend any money, look online for the pieces on your shopping list. Write down the prices of each specific item. Then add them all up.

*From there, you can adjust all you like. You can eliminate a few non-essential pieces from your list. Or you could sell some of your older clothes on eBay or ThreadUp to fund your purchases.*
